Instructions

- 1. If the reporting person is a corporation, please state the name of corporate representative in column (1); the corporate name in column (2); the corporation registration number in column (3); and the location of its place of business in column (5)
- 2. If the provider is a corporation, please state the name of corporate representative in column (6); the corporate name in column (7); the corporation registration number in column (8); and the location of its place of business in column (10).
- 3. Where the name of a certain genetic resource exists, please state such name in column (1) Name of the Foreign Genetic Resources, along with the scientific name and the common name of the relevant species. If no name of a certain genetic resource exists, then please state only the scientific name and common name of the relevant species.
- 4. If the reporting person intend to access to genetic resources, please state quantity or concentration of the genetic resources in column (2) and if the person intend to access to traditional knowledge, then it should be ticked.
- 5. Multiple ticks are permitted in columns ⁽¹⁾ Purpose for Accessing the Genetic Resources and ⁽¹⁾ Purpose for Utilizing the Foreign Genetic Resources
- 6. If you have not concluded an agreement on sharing benefits with the providers, please briefly state the reasons as to why no Mutually Agreed Terms were concluded, in column (16).
- 7. Multiple ticks are permitted in column 🗊 if Mutually Agreed Terms are concluded; and if the relevant details exist in Mutually Agreed Terms, then they should be ticked.
